Yours is a tailor-made dream

The scent of lilies of the valley,
the sparkle of the lake,
your smile.

The Splendide's proposal
is tailored just for you.
Like hardworking artisans, we craft
the most beautiful moment
of a lifetime according to your wishes.
The Splendide's events team will
devote their time and energy to you,
providing you with
a venue with a romantic soul
and panorama, consolidated
professionalism and attention
to every detail.

Tell us about your dreams and
wishes, and we will create a

to forget.

Two hearts, one location

BETWEEN THE SKY AND THE LAKE

Panorama terrace

From the aperitif to the first dance under the stars.
The terrace is the space best suited to celebrating your love
in a spring breeze or on a summer evening.

THE SIMPLICITY OF ELEGANCE

Sala Panorama

Sunny and bright, its minimal elegance is made up of small and great details,
like the huge stained glass windows and handmade Murano chandeliers.
The neutral colours and classic atmosphere make the Sala Panorama the ideal place
for customising spaces that reflect you as much as possible.

CLASSIC CHARM, MODERN ATMOSPHERE

Sala Blu

Refined and romantic: the Sala Blu is our way of providing you with an aisle that's like tip-toeing on a carpet of heaven.
An intimate and cozy space that tells a long story.

The gourmet offer

Everything is possible in
the kitchens of the Splendide.
Chef Domenico Ruberto
and his kitchen brigade, which boast
a Michelin star and 16/20
GaultMillau points, are ready to listen
to your requests and turn them into
menus created ad hoc for you.

The proposals can be customised
down to the last detail:
from the welcome appetisers to
the most delectable
Mediterranean first courses,
from excellent local products
to small pastry treats.

Our menus follow the seasons with
fresh and high quality ingredients.
Our maître will accompany you
on this journey, while taking care
of all your guests.

The sweetest moment

At the Splendide, every wedding cake
tells a unique story,
composed of special sweets
and personal and personalised flavours.
You can design it together
with our team of expert pâtissiers.

A fairy tale cake,
a rainbow of Macarons.

A toast to the newlyweds

Jealously guarded in the Treasure Trove of Wine, your wishes will become reality, including in the glass.

A wide selection of labels from the local area is the pride of our cellar, but there is no shortage of bubbles and important international brands. Our Sommelier will help you select the ideal bottles for the perfect pairing with your menu.

Tribaut

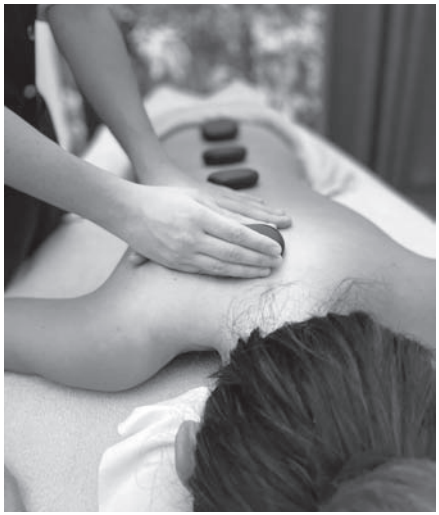

You two, but not alone

Pampering for you and your guests, before, during and after the big day:
from the bridesmaids' hairstyles to the witnesses' manicures,
from a relaxing massage for the bride to the mother's make-up,
or even a Private Spa day to ease tensions ahead of the big event.

Our gift

The best way to start a life together
is by doing it in the right place.

The Splendide wishes you
great happiness and offers spouses
an elegant room with a panoramic
view, directly overlooking the
lake, for your most romantic night.
